

Opening Ceremony
MC: Ana Maria Cruz
Welcome: Ana Maria Cruz, President, DIRIM Society
Greeting: Eriko Nakabayashi, Representative of Local Host, Director of DIRM, Kyoto University
Overview explanation: Hirohiko Takano, Head of IDRM2021 Local organizer

Session 1: Physical Risk Management
Special Session 1: Risk Assessment, Planning and Implementation
Session 2: Human Behaviour, Adaptation and DRR
Special Session 2: Resilience
Special Session 3: Disaster equity, diversity and inclusion in disaster risk science and practice in emerging context
Special Session 4: Role of education in disaster risk reduction

Keynote Speech 1 (30min@2)
MC: Shinya Takahashi
"20 Years of Integrated Disaster Research: Past Achievements and Future Directions"
Two decade-long journeys of IDRM Society: Looking back and looking ahead
Norio Okada, Executive General University, Japan
Looking Back and Looking Forward: Nature-based solutions for integrated disaster risk management
Joanne Linwood-Boyer, Program Director of the Risk and Resilience (RISK) Program, SAITP, Australia

Panel Discussion 1
MC: Ana Maria Cruz
"Looking Back for 20 Years of IDRM"
Panelists: Andrew Collins, Rajy Anand Mishra, Mubeen Ali Ghaffar, Adam Rose, Hirohiko Takano, Rajeev Sin

Greetings
Oral Presentation (5min Presentation + 2min Q&A)

Session 5: Resilience
Special Session 5: Making Resilience Metrics Measurable based on Infrastructure Resilience Framework
Special Session 6: Economic Analysis of Risk Reduction, Recovery Policies and Growth
Special Session 7: The Resilience Paradigm: Multidisciplinary Insights and Cross-cutting Integration

Interactive Session (Breakout room)
Individual breakout rooms

Session 6: Resilience
Special Session 6: Making Resilience Metrics Measurable based on Infrastructure Resilience Framework
Special Session 7: The Resilience Paradigm: Multidisciplinary Insights and Cross-cutting Integration

Session 7: Resilience
Special Session 7: The Resilience Paradigm: Multidisciplinary Insights and Cross-cutting Integration
Special Session 8: Disaster Risk Reduction and Resilience
Special Session 9: Disaster Risk Reduction and Resilience

Session 8: Disaster Risk Reduction and Resilience
Special Session 8: Disaster Risk Reduction and Resilience
Special Session 9: Disaster Risk Reduction and Resilience

General Assembly
MC: Hirohiko Takano
Chair: Ana Maria Cruz

Keynote Speech 2 (30min@2)
Chair: Andrew Collins
Mingliu He, Head of Disaster Risk Management at Envision's Business
The real economic impact of natural disaster: accounting for distributional impacts and implications for poverty
A systems Dependency Perspective for Individual, Compound and Systemic Risks
Dagfinn Haldrup Steiger, senior research scholar with the Systems Risk and Resilience (SRR) research group, UNSW, Australia

Panel Discussion 2
Chair: Shinya Takahashi
"Explore areas that are important but not yet fully addressed"
Panelists: Chastine Heide, Liping Fang, Indrajyoti Varma, Dagfinn Haldrup Steiger, Marjorie Meade, Suzanne Haldrup

Greetings
Keynote Speech 3 (30min@2)
MC: Shinya Takahashi
Inequalities in Climate Change Flooding during Hurricane Harvey in Harris County, Texas: A climate change attribution study
Paul Ray (2021 Research Award Winner), Victoria University of Wellington, New Zealand

Cascading disasters: Improving our understanding of interacting and interconnected risk
William Sotgiu (2021 Implementation Science Award), California Polytechnic State University, USA
Resilient Impact Assessment of Disasters: current status and future challenges
Hirohiko Takano (2021 Research Award Winner), DIRM, Kyoto University, Japan

Session 9: Networks, Resilience and Vulnerability
Special Session 9: Resilient Recovery and Risk Reduction
Special Session 10: Disaster Risk Management and Resilience
Special Session 11: Disaster Risk Management and Resilience

Session 10: Disaster Risk Management and Resilience
Special Session 10: Disaster Risk Management and Resilience
Special Session 11: Disaster Risk Management and Resilience

Special Session 12: SMEs and COVID-19 Resilience
Special Session 13: Engaged and Inclusive Approaches
Special Session 14: Comprehensive Disaster Risk Management
Special Session 15: Health Emergency and Disaster Management and COVID-19
Special Session 16: Social Learning and Collaborative Risk Management

Keynote Speech 4 (30min@2)
MC: Hirohiko Takano
The Expanding Role of IDRM: Resilience & Decision-Making: Implications & Benchmark Action in the Changing Global Disaster Risk Scenario
Dagfinn Haldrup Steiger (2021 Implementation Science Award), Norwegian Institute of Technology Engineering and Learning (NTNU), Norway

Panel Discussion 3
MC: Shinya Takahashi
"Challenges of Integrated Disaster Science for upcoming decades"
Panelists: Janice Minkovitch, Jennifer Davis, Sandra Anne Ojeda, Genie Salinas, Santosh Kumar, Mark Ashby Perry, Scott Douglas

Plenary Session
Chair: Shinya Takahashi
"Looking Forward: Strategic Plan of IDRM Society"
Panelists: Joanne Linwood-Boyer, Rajy Anand Mishra, Ana Maria Cruz, Indrajyoti Varma, Mubeen Ali Ghaffar, Adam Rose, Hirohiko Takano

Closing Ceremony
MC: Hirohiko Takano
YSA Awards / IDRM award ceremony / Announcement of IDRM2022 / Closing Remarks
